

הרבי, נשיא דורינו

עם ניגונים: הוא אלוקינו, הרבי שליט"א, ופרצת, ר"ח כסלו ניגון

The רבי he does amaze, the world he does amaze
Was born תרס"ב
We are the דור השביעי and with him we will be
Ushered towards גאולה with משיח speedily

My רבי was born in Nikolaev, Russia
To his parents חנה and ר' לויק
His brothers are ר' דובער and ר' אריה לייב
ר"ד כסלו he married: רביצין חי' מושקא

They escaped WWII with נסים and survived
כ"ח סיון, to America they arrived
In Europe, 1902 until 1941
a new era had begun תש"א

Working closely for his Father-in-law
מרכז, קה"ת 8 מחנה ישראל
Were directed by our רבי
The רמ"ש as he was known
Wrote his הגדה and the יום

תשי"א: י"א שבט
meant a lot! באתי לגני
We have a רבי at our lead
A goal we must achieve
The generation of the גאולה (aaa...)

ופרצת, ופרצת, ופרצת, ופרצת, ימה, וקדמה, צפונה, ונגבה
On a mission we embarked, with ופרצת,
our trademark
Programs for the women, elderly and children
The רבי sent out שלוחים, many more than before
and חב"ד houses opening their doors
For spreading חסידות, the רבי used technology
launched, first of many מבצע תפילין
Aha hey... ופרצת!
Tanks on the street, 'ה צבאות will defeat
The פסוקים's influence, we'll win with the יצר

We Want משיח Now! We live by our slogan
חדר בית חב"ד, the רבי did initiate
A children's ספר תורה, all should participate
Uuuufaratzta - I can do! מבצעים
for the non-Jews too - שבע מצות בני נח
We own ארץ ישראל, cannot trade it away
To fix מיהו יהודי, the רבי did campaign

ראש חודש כסלו ל"ח, the רבי's health is restored
ה' טבת, we won the ספרים in court
כ"ב שבט תשמ"ח, the רביצין passed away
מבצע יום הולדת-כ"ה אדר

While working globally
on projects big and small
The רבי focused strongly on each individual
with חסידים, and hours giving dollars
In אגרות קודש now are printed many letters

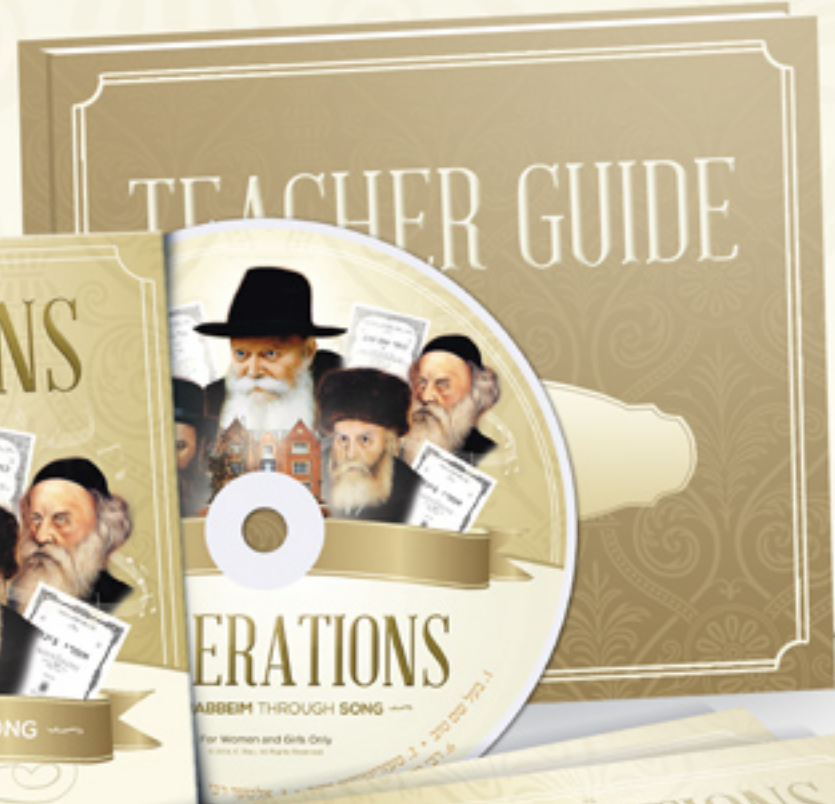

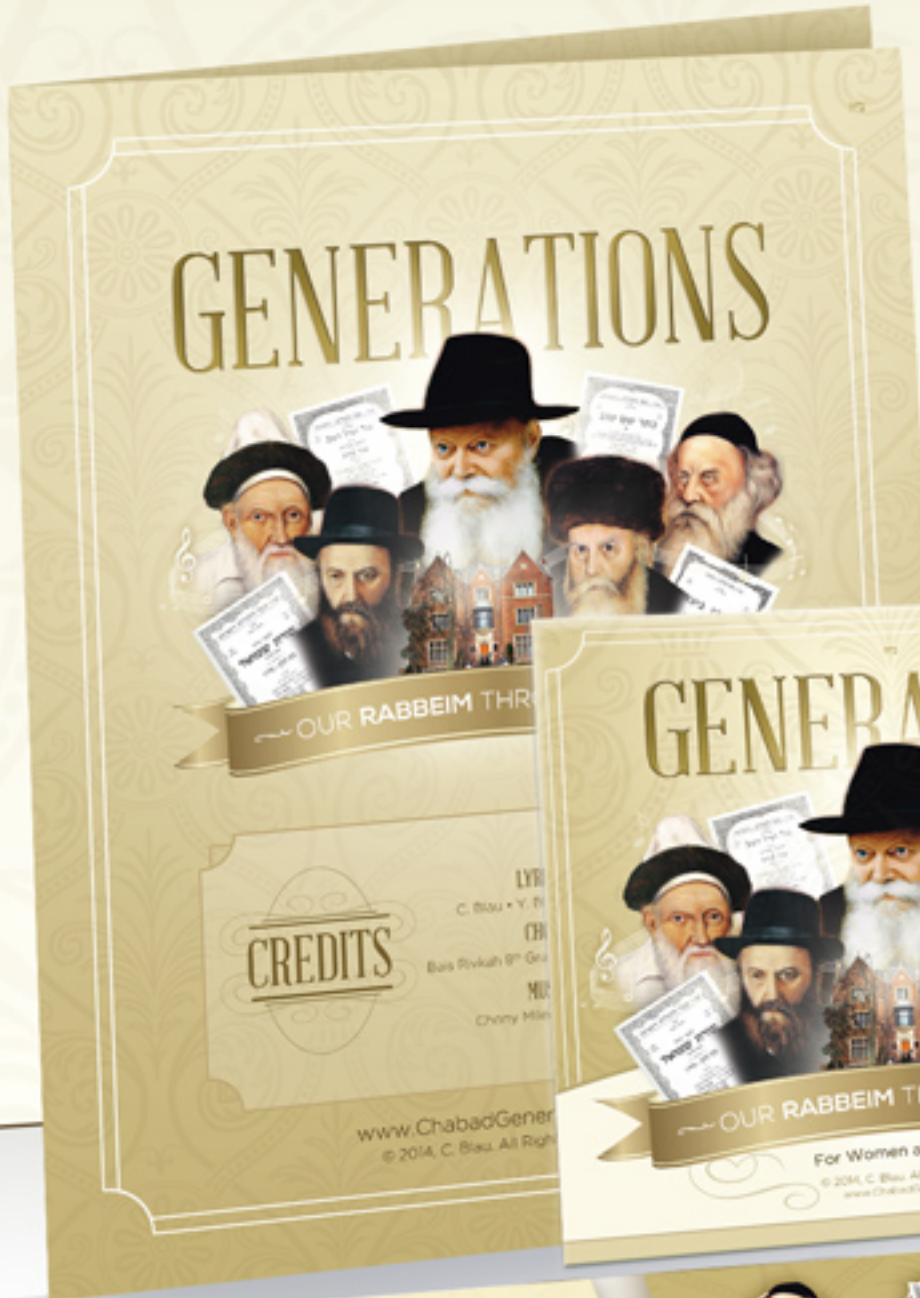

קונטרסים and תניא'ס - פארבריינגען'ס at לחיים
ניגונים 10, כוס של ברכה - מאמרים and שיחות
started in his mother's memory רש"י שיחות
From תשרי, תשכ"ה, a gift until today!

Aha, hey....
כ"ח ניסן נ"א—טוט אלץ וואס איר קענט!
Until we bring משיח, we cannot be content
realized חסידים - ג' תמוז נ"ד
That all our efforts must be intensified

Aha, hey...
מקושר I can be - המעשה הוא העיקר
I'll learn לקוטי שיחות, apply all the הוראות
too ספר המצוות or רמב"ם and חת"ת
Having a משפיע who shows me what to do
I'll work on myself to be the best that I can be
I know that my רבי is surely proud of me
I'll דאווען at the אהל and in 770
And משיח we will bring with our efforts speedily!
