## DID YOU KNOW?

### 1 ANOCHI MUGAIN LOCH: I'M YOUR SHIELD

When Avraham was victorious over the four kings and saved Lot, Hashem came to him in a vision and told him not to worry about the punishment of killing people during war. Hashem assures Avraham that "I'm your shield," and he'll be protected from any punishment.  
-Lech L'cha 15:1

### 2 S'CHARCHA HARBEH MEOD: YOUR REWARD SHALL BE EXCEEDINGLY GREAT

Hashem continues to say to Avraham that if he's worried that he already received his reward through a miraculous victory, he should know that his reward is much greater than he thinks.  
-Lech L'cha 15:1

### 3 G'VUL: FINITE

There are Mitzvos that are limited and measured by rules, making them finite.

### 4 BLI G'VUL: INFINITE

The reward for doing Mitzvos are unlimited.

### 5 MITZVOS: COMMANDMENTS

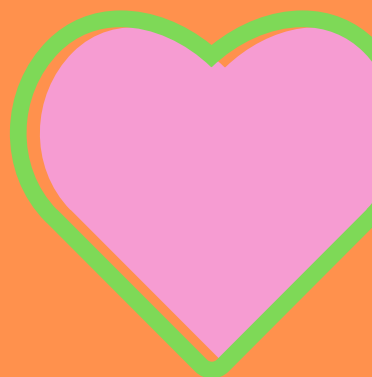

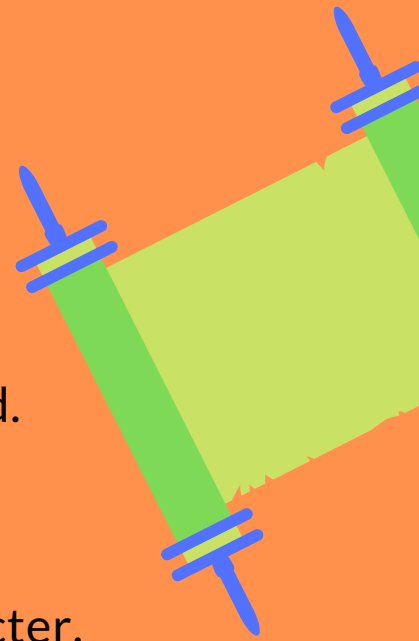

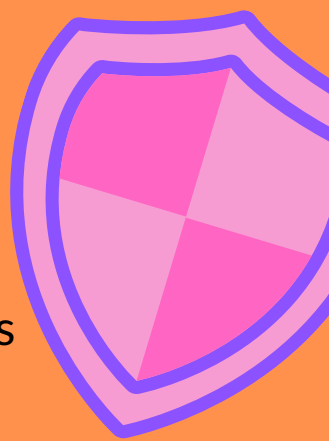

Mitzvos are given to us to refine our character. Every Mitzvah draws down a certain level of Kedusha which effects the people and the world at large.

### 6 ROTZUI: YEARN

While in the body, the Neshama feels distanced from Hashem. This creates a yearning to be closer to Hashem.

### 7 SHUV: RETURN

When one understands that Hashem's ultimate goal is to have a Dirah Bitachtonim (a dwelling place on earth,) the Neshama realizes he should stay on earth.
