DID YOU KNOW?

1 **BARUCH SHE'ASAH NISSIM: BLESSING FOR THE MIRACLES**

This is the blessing we recite on the Festivals of Purim and Chanukah to thank Hashem for the great miracles he has done for us.

Blessed are you...who has performed miracles for our forefathers in those days, at this time.

2 **NISSIM : MIRACLES**

There are two types of miracles. One is done through nature as we see in the miracle of Purim.

Another is done above nature as we see in the miracle of Chanukah.

3 **OSHUN- OLAM, SHANAH, NEFESH: SPACE, TIME, PEOPLE**

Hashem creations are made up of three categories.

1. Olam (world) - space.
2. Shanah (year) - time.
3. Nefesh (soul) - people.

4 **HASAGAH: POWER OF INTELLECT**

One can only grasp the existence of the object, not it's essence and spirit.

5 **REIAH: POWER OF SEEING**

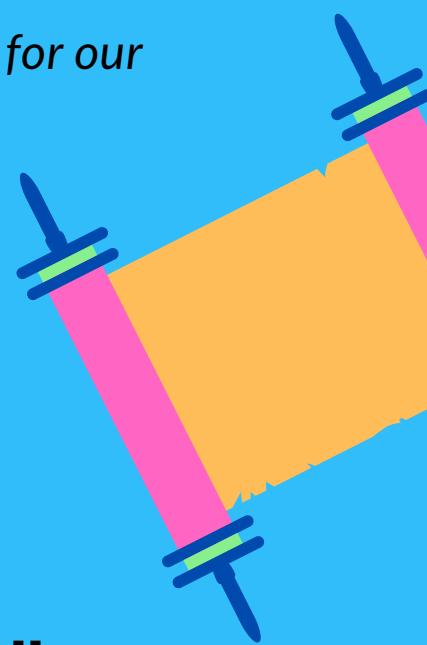

The power of seeing is greater than the power of intellect for it can reveal the essence and spirit as well.

6 **MAKIF: SURROUNDING**

Hashem's light that embraces us. Like a hug that feels warm and comforting yet is not permeate the actual body.

7 **BINAH: UNDERSTANDING**

The power of taking apart the nucleus of Chochmah into individual parts in order to understand it. Like understanding the ingredients of a recipe.
