Every Jewish girl can become a matriarch of a beautiful jewish family. Help us educate her!

Meet Rebbitzen Chanas newest daughters.

✓ College age students

College teaches how to make a living , yeshiva/seminary teaches one how to live. Women spend a year or more at Machon Chana where they learn the best way to live as a Jewish woman.

✓ Baalot Tshuva

Many women began the journey and need a Yeshiva education to continue and/or enhance their experience. They dive into the sea of Halacha, the depth of Chassidus, study Torah in the texts and practical application.

✓ Israeli Backpackers

Having finished military service & travel abroad, many young women seek meaning, mission and purpose. They now come to spend a year/term in Yeshiva in Crown Heights to find themselves as a Jewish woman before returning to the Israeli workforce.

✓ Wives and Mothers

Students of all ages take time to immerse in Torah with like minded women at our winter or summer retreat or weekly classes in person or online .

✓ Dual Degree

Living and learning Torah in seminary while simultaneously pursuing an accelerated BA/MA online .

✓ Gap Year

Students who take a gap year from college to experience authentic Chassidic life and thought at Machon Chana, located in Crown Heights, the home of Chabad Lubavitch.

✓ Young Professionals

YJP who are living and working in the Big Apple find that Machon Chana offers a perfect opportunity for living in a vibrant Jewish community, learning and growing spiritually.

✓ Foreign students

For those living far, online learning is convenient and a certificate is attainable.

אדאנק פאר האדעווען מיינע טעכטער THANK YOU FOR YOUR SUPPORT

The Rebbe chose to honor and eternalize his beloved mother's memory with an institution that would change the Jewish landscape and raise a generation of women who would bring the final redemption. The tens of thousands of Machon Chana alumnae that the Rebbe called "**meine techter**" have built beautiful Jewish homes, schools and Chabad centers around the world.
